

TOOL BOX SAFETY TALK ORDER FORM

Each Tool Box Safety Talk (TBST) is designed as an easy-to-read brochure that can be distributed and discussed with employees at the shop or on the job site. Regularly scheduled TBST meetings are an integral part of an effective safety plan. Call MCIM today to learn more.

TBSTs are available in English and Spanish, and are free to MCIM policyholders.

- Avoiding Hand Injuries
- Eye Protection
- Fall Protection for Framers
- Identifying Work Site Hazards
- Machine Guards
- Safe Lifting Techniques
