

Preferred Provider Organization

In-Network Providers offer additional savings which controls your medical expenses. Our convenient website allows you to search for a provider by name, address, region or specialty.

- ❖ Login to the website at www.careworksproviders.com/mbrppo
 - Search by entering City and State or a Zip Code.
 - You can choose a search radius to limit the results to locations closest to you.
 - You can also narrow your search by Provider Type.
 - Click the Search Providers Button to review your results.

If you need assistance searching for a provider, please contact our claims department at (888) 922-5246.

Make sure to have medical providers send all bills to the address below:
